Memorial Classic 2018

Can you believe it. Another **Memorial Classic** is over. It was a great 2 days and the weather cooperated.

The golf tournament and the dinner/dance were a great success. Denny and company did an amazing job preparing our meal. It actually could be the best meal ever.

We also thank John Phelan, Lynn Booth and Katie for all their help. We had 14 teams. A great turnout.

The winners are: **Richard Mann, Bob McCrudden, Vern Doupe, Anna Tang** (pictured above)

Sue Batting and Jan Payne have enjoyed running this event for the last few years. They have created a detailed list of the tasks that need to be completed to successfully run the event and they will make this available to whomever assumes responsibility for next year.

CHANGES TO THE RULES OF GOLF

THE FOLLOWING CHANGES TO THE RULES OF GOLF WILL TAKE EFFECT JANUARY 1, 2019

1. There is no longer a penalty if your ball accidentally moves while you are searching for it
2. There is no longer a penalty if you accidentally move your ball or ball marker when it is on the putting green
3. There is no longer a penalty if your ball in motion accidentally hits you or your equipment. Double-hitting a shot will now only count as one stroke.
4. The rule for dropping a ball when taking relief is that the ball is now to be dropped from knee length
5. The time for looking for a lost ball has been reduced from 5 minutes to 3 minutes
6. You may now take relief if your ball is embedded anywhere EXCEPT IN THE SAND
7. You may now continue to use the original ball or substitute another ball whenever you take either free relief or penalty relief
8. You may now leave the flagstick in when you are putting a ball that is on the green. There is no penalty if your ball hits the flagstick
9. You may now repair spike marks and animal damage on the green
10. There is no longer a penalty for touching the putting green in pointing out the target of your putt
11. You can no longer take relief from a lateral penalty area on the opposite side from where the ball last entered the lateral penalty area
12. There is no longer a penalty if you touch or move loose impediments (such as leaves, stones, sticks) or touch the ground with your hand or club in a penalty area
13. There is no longer a penalty if you touch or move loose impediments in a bunker
14. You may now touch the sand with your hand or club in a bunker except in the area directly behind or in front of your ball. You may not touch the sand with your hand or club to test the condition of the bunker
15. For two penalty strokes you may take relief outside the bunker by dropping the ball back on a line from the hole through where your ball was at rest in the bunker (Deerfield's current rule for our lady members on hole 13 still applies)
16. You may now continue to use any club that is damaged during the round no matter how the damage happened
17. You may not replace a damaged club during the round unless you were not responsible for causing the damage

In an effort to promote faster play you are encouraged to make each stroke in no more than 40 seconds, and usually more quickly.

Playing out of turn (ready golf) in stroke play is now affirmatively encouraged in a safe and responsible way to save time.

The Golf Ball & The Sand Wedge

A woman takes a lover home during the day while her husband is at work. Her 9-year old son comes home unexpectedly, sees them, and hides in the bedroom closet.

Then the woman's husband also comes home. She puts her lover in the closet, not realizing that the little boy is in there already.

The little boy says, 'Dark in here.'

The man says, 'Yes, it is.'

Boy - 'I have a golf ball.'

Man - 'That's nice.'

Boy - 'Want to buy it?'

Man - 'No, thanks.'

Boy - 'My dad's outside.'

Man - 'OK, how much?'

Boy - '\$250'

A few weeks later, it happens again that the boy and the lover are in the closet together.

Boy - 'Dark in here.'

Man - 'Yes, it is.'

Boy - 'I have sand wedge.'

The lover, remembering the last time, asks the boy, 'How much?'

Boy - '\$750'

Man - 'Sold.'

A few days later, the boy's father says to the boy, 'Grab your sand wedge and golf ball, let's go outside and have some short game practice.'

The boy says, 'I can't, I sold my ball and sand wedge dad.'

The father says, 'What?! How much did you sell them for?'

Boy - '\$1,000.'

The father says, 'That's terrible to overcharge your friends like that. That is far more than those two things cost. I'm going to take you to church and make you confess.'

They go to the church and the father makes the little boy sit in the confession booth and he closes the door.

The boy says, 'Dark in here.'

The priest says, 'Don't start that shit with me again. You're in my closet now!'

Thanks Al Ferguson for the submission.
