## High Fashion at Deerfield G.C.

**Muriel Rowland** showed up to golf with the ladies in this colour coordinated outfit. The skorts were a new addition to the wardrobe. At 91 she is our oldest member and still walks the course. New member this year **Paul Borg** got into the spirit of the Canada Red & White Day with his "I am a Proud Canadian Plus Four Ensemble" or what it was called when he ordered it online. You looked great Paul. We didn't hear if it took a few strokes off the game or not. [Yes you can buy your way on to the front page of Deer Tracks! Contact the editor for pricing.]

### Club Storage is Now Available

Many have been asking, club storage is again available. If you don't have an assigned slot already, see the Pro Shop who will get you fixed up with a number and the combo. Storage is at your own risk and there will not be any cleaning services. You put them away and you get them out. Please lock the gate!

## Canada Day Red & White - July 3

Your winning team **Alex Kerr, Larry Salvati, Scott Mick** and **Eileen Wilson**. They tore up the track with a net team score of **81.9**. Each received a pro shop credit for \$45.

In second place with a team net of **91.1** were **Paul Borg, Gary Aucoin, Mike Cook** and **Susanna Chan**. They each pocketed \$30 to spend in the pro shop.

Taking the third spot on the podium and \$25 each were **Bob Marshall, Clayton Shold, Jackie Bickerton**, and **Ardeth Groff**.

This was our first tournament of the year with ten teams competing for country, noteriety and a chance to be in a larger photo in Deer Tracks!

Thank you to every one who came out to play. You looked great!

**John Wright, Don Charlebois, Mary Cochrane, and Jim King.**

**Paul Richardson, Ken Musgrave, Carla Shold, and Ross Jordan.**

**Pat Conway-Willis, Earl Cochrane, Ludwik Rydlewski, and Bryce McBain.**

**Clayton Shold, Ardeth Groff, Jackie Bickerton, and Bob Marshall.**

**Darryl Berger, Sue Batting, Don McIsaac, and Bill Marriott.**

**Rick Batting, Alison Holmes, Phil Groff, and Steve Novak.**

**Al Ferguson, Sean McNamara, and Vern Doupe.**

**Gary Aucoin, Paul Borg, Susanna Chan, and Mike Cook.**

# Twins!

There may be more out there, but we are featuring two sets of twins this edition. [They weren't prepared to pay to be on the cover.] The guys on the left are actually identical twins, that's **Paul Borg** on the left and **Larry Salvati** on the right (or is it the other way around) with the Under Armour sponsored shirts. Why the different surnames? One apparently is divorced.

The fraternal twins on the right caused some labour issues for their Mom. **Jim** on the right came out of the womb just under twenty years before his twin brother **Clayton**. Some have said they are brighter than their shirts but this cub reporter couldn't substantiate that claim by press time!

## Injured Swan Update

Sadly, the cygnet that was transported to Toronto Wildlife Centre last month did not survive. After being examined by their vet it was determined it had a broken wing and a hole in its thorax which due to the animals size was not repairable. Since then Mom and Dad have been keeping a close eye on the remaining four young ones who aren't so small any more.

Meet some of our new members. These guys played behind us one day and they looked like a well trained army walking lockstep down the fairway shoulder to shoulder. They were quite considerate and refrained from hitting their 500 yard drives into us. It was encouraging though to know they can find the fescue as well!

Left to right we have **Anthony Bruno, Michael Choma, Adrian Sadowski, Colin Soares,** and **Vincent Reale.**

It was fun to be in earshot of this group. Clearly they were having a fun time on the course with lots of laughter and ribbing each other. What a good game of golf should be all about. A great example of camaraderie - mutual trust and friendship among people who spend a lot of time together.

## How do you like the new ride?

This cub reporter has spoken to a number of members who have taken the new carts around the course and have nothing but good things to say about them.

Apparently they can match a Tesla Model S Plaid in the quarter mile and have bremsbo brakes so stopping isn't an issue.

Now if we could just get a few more **garbage cans** on the course...especially #3 & #18.

## Let's talk about booking tee times...

Hopefully by now everyone is getting used to the new booking system. A few nuances but for the most part it is working pretty well.

I was speaking with our Club Pro **Lee Beauchamp** who told me this past weekend a group of members had booked back to back tee times on Saturday and Sunday. Then they didn't show for any of the times. Not cool. It cost Deerfield a minimum of \$1,120 (sixteen green fees) and probably some cart and driving range revenue if they could have booked out those times. If you can't play, please call in and cancel.

## Rain Couldn't Stop President's Cup Play!

Of the 26 initial entrants, 21 came out to play to pay homage to the President. Hey - isn't that what the tournament is for??!!

Indeed they were brave lads. Right from the get go it was raining, a nice gentle, good for the garden type of rain, but anyone who lives with an amateur meteorologist would have been told the radar painted a different picture. "She" was right, when our group got to #14 the skies really opened up and tested our umbrellas and bag covers, not to mention the grip of our sticks.

So often is the case, some are better at shaking off the elements and putting their heads down.

Congratulations to **Darryl Berger** and **Don McIsaac** who finished **1st** with a net **66**. Using retrogression, (don't you hate that) the **2nd** place team was **Earl Cochrane** and **Neil McDonald** with a **66**. Close behind with a **68** were **Jim King** and **Gary Aucoin**.

Congratulations to everyone who played!

### Former Club Pro Still Swings a Good Club!

Shot One

On a recent Saturday morning, **John Phelan** sticks one a few inches from the pin on #2.

The every ready cub reporter appeared out of nowhere and asked "can I get a photo" just as John was in his back swing. Picture two shows the outcome.

Kidding. John did make the putt!

Shot Two

Don McIsaac sent this in with a comment, "Sort of expresses what I think of my game lately."

Smile! It's just a game.

"You think you're having a bad game?  
I'm looking for a **bowling ball!**"

## Latest Fair Golf Rules

Latest Fair Golf Rules . . . from the desk of the “Light-weight of Epic Proportions”

The Trudeau Government has been hard at work, they have recently appointed a Golf Tzar and major rule changes in the game of golf will become effective September 1, 2021. This is only a preview as the complete rule book (expect 2000 pages) is being rewritten as we speak. Here are a few of the changes.

### Golfers with handicaps:

- below 10 will have their green fees increased by 35%.
- between 11 and 18 will see no increase in green fees.
- above 18 will get a \$20 check each time they play ..

The term “gimmie” will be changed to “entitlement” and will be used as follows:

- handicaps below 10, no entitlements.
- handicaps from 11 to 17, entitlements for putter length putts.
- handicaps above 18, if your ball is on green, no need to putt, just pick it up.

These entitlements are intended to bring about fairness and most importantly, equality in scoring.

In addition, a player will be limited to a maximum of one birdie or six pars in any given 18-hole round. Any excess must be given to those fellow players who have not yet scored a birdie or par. Only after all players have received a birdie or par from the player actually making the birdie or par, can that player begin to count his pars and birdies again.

The current USGA handicap system will be used for the above purposes, but the term “net score” will be available only for scoring those players with handicaps of 18 and above. This is intended to “re-distribute” the success of winning by making sure that in every competition, the above 18 handicap players will post only “net score” against every other player’s “gross score”.

These new Rules are intended to CHANGE the game of golf. Golf must be about Fairness. It should have nothing to do with ability, hard work, practice, and responsibility. This is “The Right Thing to do.”

The new rules eliminate the discriminatory word handicap and replace it with CTMPD (circumstances that make progress difficult).

Thanks **Neil McDonald** for sending along.

Some stories are best left for the 'back page'.

This [unnamed] golfer approaches after teeing off on number eight to locate his ball on number seven after a ricochet off a tree and glancing off my calf. No injuries to report just an unusual lie.
