Back to Back Aces!

Adrian Layne has been golfing for a couple of years now. He must be a quick study as he achieved his first hole-in-one Wednesday July 6th. The time was 9:20am, he was playing with Peter Birk (staff) and two public golfers. Hole 4, front pin and he hit a light PW that landed short on the hill and bounced up then rolled towards the hole and dropped in!

July 7

Wait. The story gets better.

He is out the next day July 7th. Tee time was 6:40am. He was by himself to start and the 6:30am group in front of him was a foursome that split up into two groups. He caught up to the second group on Hole 2 and they let him play through and then he caught up with the first group (two public golfers) on the tee box of Hole 4. He asked if I could join up with them and they said yes, they both already hit and had landed on the green. Middle pin, he hit a light PW again and it landed in the middle of the green and rolled towards the the hole and dropped in!

"After back to back aces, I was feeling pretty lucky so I tested my luck at the lottery with \$100 worth of lotto max but my luck ran out and it didn't hit!"

President's Cup - History Made

The President's Cup tournament has a long and storied history. The trophy was initially donated by then DMA President Ches Hornibrook in 1988 and first awarded to a two-man team in 1989. Looking at the trophy you'd recognize many current member names like **Ludwik Rydlewski, Phil Groff, Rick Batting, Ken Musgrave, Ken Richards, Neil McDonald, and John Cheung.**

This year two new names will be added as **Don McIsaac** and **Clayton Shold** eked out a narrow win with a net 60. In doing so they made history. A sitting President has never before won the Cup. This created quite the sensation in the golf world!

Requests for appearances began to flow in. The first was an invitation to show off the cup at the 150th Open. Don and Clayton packed their tooth brushes and off they went to the delight of the crowd. Even Rory was in awe!

On the flight home Tiger Woods called to say he was doing a "charity gig" at Augusta National and wondered if we could divert our flight to accommodate him. He pleaded, "these are the best golf fans in the world and it would mean everything to them to see you guys with the President's Cup." Well who is going to say no to Tiger?

All that travel, all those autographs, all those photographers, all those interviews, all those green rooms, it does make one tired.

Don was gracious enough to give me the first six months with the trophy so I can take it back to my home town of Victoria. Need to get it to the Hockey Hall of Fame to snap a shot next to the Stanley Cup. Then the PMO called, seems they want a photo op with JT. That may not happen.

LIV Golf has reached out for an appearance. Our "people" are talking to their "people."

When Don was asked what he was going to do when he got the trophy, he said "Put it back on the shelf where it belongs!"

Red & White a Colourful Day

It was a beautiful day to celebrate our countries 155th birthday dressed in the colours of our flag. We had a great turn out with lots of fun golf. Our winners were **Rick Batting, Paul Richardson, Gabe Jennings** and **Andrew Flynn**.

The foursome played well bringing home a total score of 120. Enough to earn each player \$50. The second place team shown below pocketed \$30 for their score of 121, one behind the winners. The third place team came in with a score of 124 and will have less tax issues this year as they deposit their \$20 winnings.

2nd Place - Mike Daniels, Joyce Gordon, Al Ferguson & Bill Marriott

3rd - Steve Novak, Lynn Dickhout, Sheryl Keenan & Don McIsaac

Golf Rules & Trivia

- Golf balls are like eggs - they're white, they're sold by the dozen, and a week later you have to buy more.
- The pro-shop gets its name from the fact that you must have the income of a professional golfer to buy anything in there.
- It's amazing how a golfer who never helps with house or yard work will replace his divots, repair his ball marks, and rake his sand traps.
- Did you ever notice that it's a lot easier to get up at 6:00 a.m. to play golf than at 10:00 to go to church?
- It takes longer to become good at golf than it does brain surgery. On the other hand, you seldom get to ride around in a cart, drink beer and eat hot dogs while performing brain surgery.
- A good drive on the 18th hole has stopped many a golfer from giving up the game.
- A good golf partner is one who's slightly worse than you.
- The rake is always in the other trap.
- If there's a storm rolling in, you'll be having the game of your life.
- If your opponent has trouble remembering whether he shot a six or a seven, he probably shot an eight.
- Golf appeals to the child in all of us. This is proven by our frequent inability to count past the number 5.
- It's easy to keep your ball in the fairway, if you don't care which fairway.
- If profanity had any influence on the flight of a ball, most everyone would play better.
- The greatest sound in golf is the "Whoosh, Whoosh, Whoosh" of your opponent's club as he hurls it across the fairway.
- A recent survey shows that of all jobs, caddies live the longest. They get plenty of fresh air and exercise, and if there's ever a medical emergency, a doctor is always nearby.
- It's difficult to decide which is more stressful - hitting 3 off the tee or lining up your 4th putt.
- With practice and strength training you can easily get more distance off the shank.
- The only sure way to get a par is to leave a 4 foot birdie putt 2 inches from the hole.
- Nothing straightens out a nasty slice like a sharp dogleg to the right.
- Golden Rule: Never wash your ball on the tee of a water hole.
- No matter how badly you are playing, it's always possible to get worse.

Who is this masked man?

It is encouraging to see others who like to have a good time and are not shy.

Pictured below he is seen representing Canada wearing an "official golf outfit."

Yes he is a current member - email me your guesses. Correct entries will receive a token for a (small) bucket of range balls. :)

Deerfield Wildlife

More wildlife shots from around the course. We really are lucky to see so much of our natural species. Thanks to those who have sent photos in to Deer Tracks!
